

Auckland Botanic Gardens

Notice to dog owners

4 March 2018

8am—8pm

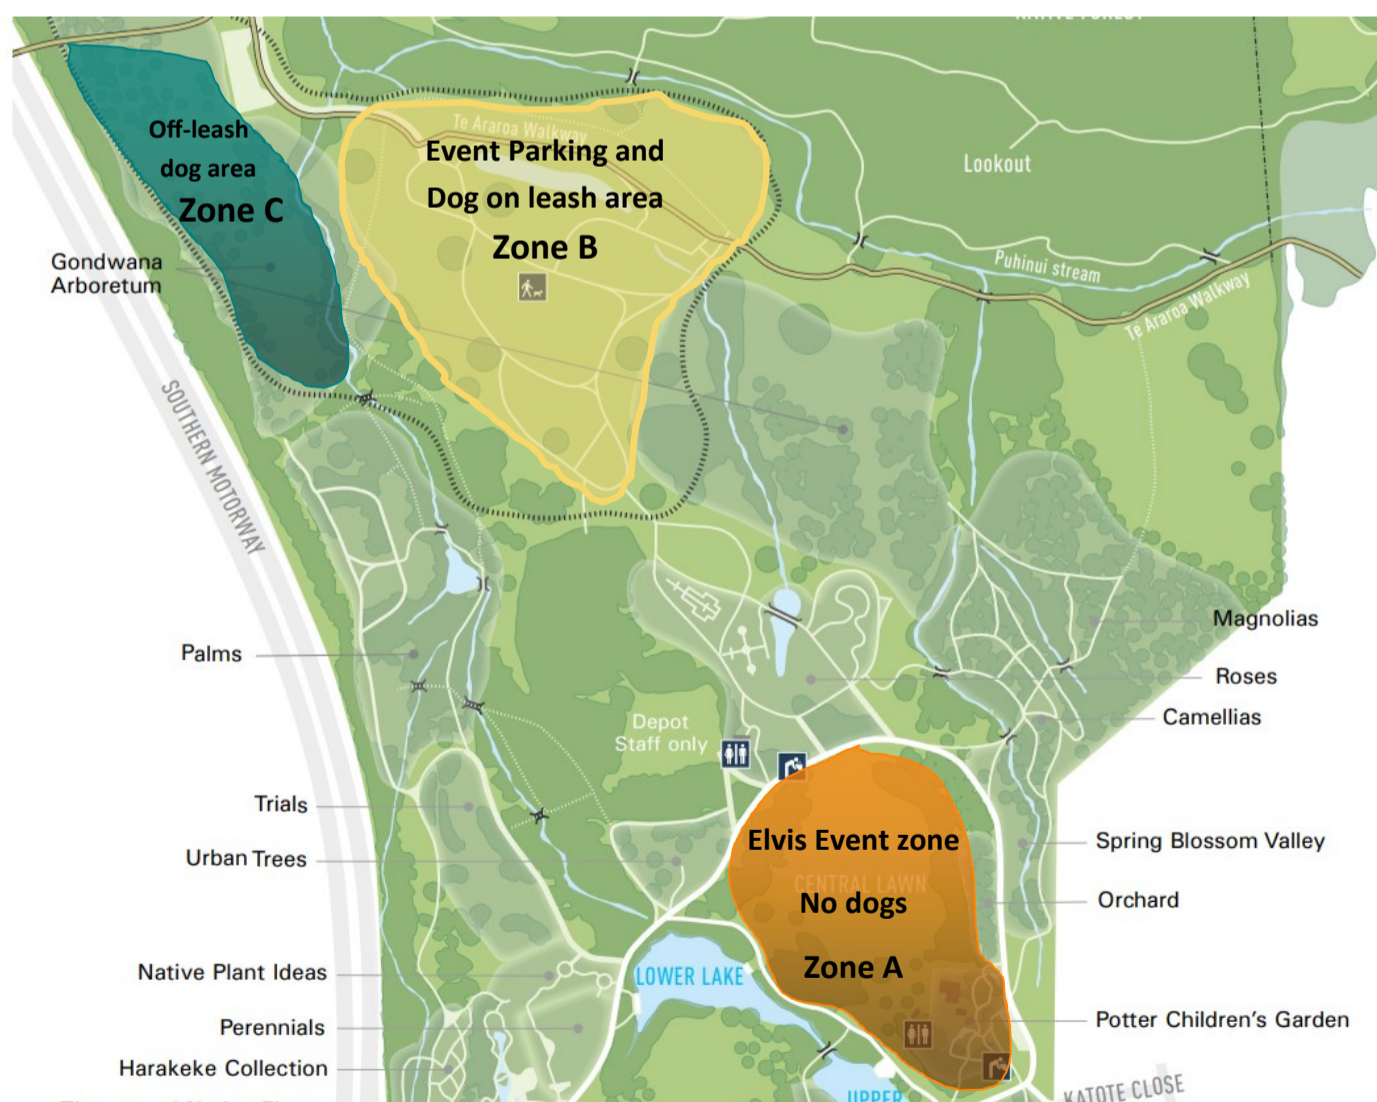

Elvis in the Gardens

This event attracts a large crowd, including many families and young children. To ensure the safety of visitors as well as dogs and their owners, we have introduced a temporary change to the off leash dog access area.

Temporary dog access will be as follows (please refer to coloured map zones)

- No dogs in the Elvis event zone and the Potter Children's Garden area (Zone A) 
- Keep dogs on leash in the events site/off leash zone where cars will be parked (Zone B) 
- Dogs may run off leash but be under control in the off leash area behind the Palms, next to the southern motorway (Zone C) 

We consider the size and nature of this event creates a greater than usual risk to public safety. Part 2 of the Auckland Council Dog Management Bylaw 2012 allows Auckland Council to make this temporary change on this basis.

We thank you for your cooperation during this event.
