

Bequest Information Sheet

Some initial steps to consider:

- Talk to your family. Help them to understand why you want to support Friends of the Auckland Botanic Gardens into the future as well as your own family and loved ones.
- Seek advice from your solicitor or legal advisor. People leave bequests of all sizes and no gift is too small to make a difference. Ask about adding a codicil rather than writing a new Will.
- Decide how you wish to share your estate. What ever the size of your bequest, please be assured it will make a real difference to the support Friends of the Auckland Botanic Gardens are able to provide.
- Make yourself familiar with the statement regarding Bequests in the Friends of the Auckland Botanic Gardens Constitution.
