- height 1.5m x width 1m

Hydrangea macrophylla
'Tosca'

- mophead type
- height 0.6m x width 0.6m

Recipe for success:

- Most plants prefer partial shade
- Select a site with free draining soil
- Recommended planting time is autumn
- Fertilise annually in autumn or spring
- Prune in August to remove canes that have flowered
- Blue colour can be enhanced in acidic soils
- Pink colour can be enhanced with the application of lime
