

Best Succulents

for Auckland

1

Aeonium 'Zwartkop'

- yellow flowers
- good in containers

2

Agave attenuata

- large plant
- mother dies after flowering

3

Aloe plicatilis

- architectural with spreading habit

4

Aloe polyphylla

- orange flowers
- suitable in gardens or containers

These Star Performers are plants of proven excellence in suitable conditions in Auckland. Succulents are a great addition to gardens as they are drought tolerant and require little care.

5

Echeveria elegans

- dense low forming mat
- propagate by divisions

6

Lampranthus spectabilis

- brilliantly colourful flowers that open in sun

7

Sedum spectabile

- bright late summer flowers
- prune in winter

8

Senecio serpens

- ground cover
- late summer flowering

Recipe for success:

- Select a full sun site for planting
- Most succulents prefer free draining soil
- Watering is seldom required
- Mulching with stones or pebbles is an appropriate look
- Little ongoing maintenance is required
