- various sizes and flower colours

7

### French marigolds

### *Tagetes patula*

- reliable, medium sized flowers

8

### *Zinnia*

- full sun
- various bright flower colours

---

## Recipe for success:

- Plant from late October
- Select a site with free draining soil
- Apply general fertiliser before planting
- Remove spent flowers to prolong the display
- Remove plants after flowering

For detailed plant information, visit the Garden Advice section of our website.
