

Scented plants

for Auckland

1

Gardenia 'Fragrant Star'

- small shrub
- prefers partial shade

2

Cherry pie

Heliotropium arborescens

- summer flowering
- frost tender

3

***Lathyrus odoratus* and
Hammett types**

- annual sweet pea
- plant seeds in June

4

Luculia grandiflora

- shrub
- summer to autumn flowering

These Star Performers are plants of proven excellence in suitable conditions in Auckland. Floral scent is a powerful attractant for pollinators and gardeners alike. Often perfume is most intense at night.

5
Michelia
Magnolia 'Fairy Blush'

- large shrub
- clip to size

6
Daffodil
Narcissus 'Erlicheer'

- jonquil bulb
- naturalises well
- plant in February

7
Rosa Gertrude Jekyll

- tall modern rose

8
Star jasmine
*Trachelospermum
jasminoides*

- ground cover or climber
- suitable in containers

Recipe for success:

- Select a site with free draining soil
- Recommended planting time is autumn for most plants
- Fertilise annually in autumn or spring
- Prune shrubs after flowering
